MEMORANDUM

To: Board of Supervisors

From: District Counsel

Date: January 1, 2024

Subject: Ethics Training Requirements

Beginning January 1, 2024, all Board Supervisors of Florida Community Development Districts will be required to complete four (4) hours of Ethics training each year. The four (4) hours must be allocated to the following categories: two (2) hours of Ethics Law, one (1) hour of Sunshine Law, and one (1) hour of Public Records law.

This training may be completed online, and the four (4) hours do not have to be completed all at once. The Florida Commission on Ethics (“COE”) has compiled a list of resources for this training. An overview of the resources are described below, and links to the resources are included in this memo.

Each year when Supervisors complete the required financial disclosure form (Form 1 Statement of Financial Interests), Supervisors must mark a box confirming that he or she has completed the Ethics training requirements. At this time, there is no requirement to submit a certificate; however, the COE advises that Supervisors keep a record of all trainings completed (including date and time of completion), in the event Supervisors are ever asked to provide proof of completion. The training is a calendar year requirement and corresponds to the form year. So, Supervisors will not report their 2024 training until they fill out their Form 1 for the 2025 year.

Free Training Options

The Florida Commission on Ethics’ (“COE”) website has several free online resources and links to resources that Supervisors can access to complete the training requirements. Navigate to that page here: [Florida Commission on Ethics Training](https://ethics.state.fl.us/Training/Training.aspx).¹ Please note that the COE only provides free training for the two (2) hour Ethics portion of the annual training. However, the COE does provide links to free outside resources to complete the Sunshine and Public Records portion of the training. These links are included in this memorandum below for your ease of reference.

¹ <https://ethics.state.fl.us/Training/Training.aspx>

Free Ethics Law Training

The COE provides several videos for Ethics training, none of which are exactly two (2) hours in length. Please ensure you complete 120 minutes of Ethics training when choosing a combination of the below.

Business and Employment Conflicts and Post-Public-Service (56 minutes) Restriction

Gifts (50 minutes)

Free Sunshine/Public Records Law Training

The Office of the Attorney General provides a two (2) hour online training course (audio only) that meets the requirements of the Sunshine Law and Public Records Law portion of Supervisors' annual training.

Click here to access: [Public Meeting and Public Records Law](#)

Other Training Options

4- Hour Course

Some courses will provide a certificate upon completion (not required), like the one found from the Florida State University, Florida Institute of Government, linked here: [4-Hour Ethics Course](#). This course meets all the ethics training requirements for the year, including Sunshine Law and Public Records training. This course is currently \$79.00

CLE Course

The COE's website includes a link to the Florida Bar's Continuing Legal Education online tutorial which also meets all the Ethics training requirements. However, this is a CLE course designed more specifically for attorneys. The 5 hours 18 minutes' long course exceeds the 4-hour requirement and its cost is significantly higher than the 4-Hour Ethics course provided by the Florida State University. The course is currently \$325.00. To access this course, click here: [Sunshine Law, Public Records and Ethics for Public Officers and Public Employees](#).

If you have any questions, please do not hesitate to contact me.

Statement of Financial Interests

Notice

The annual Statement of Financial Interest is due July 1, 2024. If the annual form is not submitted via the electronic filing system created and maintained by the Commission September 3, 2024, an automatic fine of \$25 for each day late will be imposed, up to a maximum penalty of \$1,500. Failure to file also can result in removal from public office or employment. [s. 112.3145, F.S.]

In addition, failure to make any required disclosure constitutes grounds for and may be punished by one or more of the following: disqualification from being on the ballot, impeachment, removal or suspension from office or employment, demotion, reduction in salary, reprimand, or a civil penalty not exceeding \$10,000. When To File:

Finally, file a final disclosure form (Form 1F) within 60 days of leaving office or employment. Filing a CE Form 1F (Final Statement of Financial Interests) does not relieve the filer of filing a CE Form 1 if the filer was in his or her position on December 31, 2023.

Instructions for Completing Form 1

Primary Sources of Income

[Required by s. 112.3145(3)(b)1, F.S.]

This section is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s). The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list each individual company from which you derived more than \$2,500. Do not aggregate all of your investment income.

- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

Secondary Sources of Income

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

1. You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and,**
2. You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).
- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

Real Property

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

Intangible Personal Property

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

Liabilities

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

Interests in Specified Businesses

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

Training Certification

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer appointed school superintendent, a commissioner of a community redevelopment agency created under Part III, Chapter 163, or an elected local officers of independent special districts, including any person appointed to fill a vacancy on an elected special district board, whose service began on or before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

COMMUNITY DEVELOPMENT DISTRICT

3B

BOARD OF SUPERVISORS

MEMBERSHIP, OBLIGATIONS AND RESPONSIBILITIES

A Community Development District ("District") is a special-purpose unit of local government which is established pursuant to and governed by Chapter 190, Florida Statutes.

The Board

The Community Development District ("District") is governed by a five (5)-member Board of Supervisors ("Board"). Member of the Board "Supervisor(s)" are elected in accordance with Section 190.006, F.S., either upon a one (1)-vote per one (1)-acre basis ("landowner voting") or through traditional elections ("resident voting"), depending upon the number of registered voters in the District and the length of time which has passed since the establishment of the District.

A CDD Board typically meets once per month, but may meet more often if necessary. Board meetings typically last from one (1) to three (3) hours, depending upon the business to be conducted by the Board. Prior to the meeting, each Supervisor is supplied with an agenda package which will contain the documents pertaining to the business to be considered by the Board at a particular meeting. A Supervisor should be willing to spend time reviewing these packages prior to each meeting, and may consult with District Staff (General Counsel, Management, Engineering, etc.) concerning the business to be addressed.

Qualifications of Supervisors

Each Supervisor must be a resident of the state of Florida and a citizen of the United States. Once a District has transitioned to resident voting, Supervisors must also be residents of the District.

Compensation

By statute, Board Members are entitled to be paid \$200 per meeting for their service, up to an annual cap of \$4,800 per year. To achieve the statutory cap, the District would have to meet twice each month, which is rare.

Sometimes Supervisors who are employees of the primary landowner waive their right to compensation, although this is not always the case.

Responsibilities of Supervisors

The position of Supervisor is that of an elected local public official. It is important to always remember that serving as an elected public official of a District carries with it certain restrictions and obligations. Each Supervisor, upon taking office, must subscribe to an oath of office acknowledging that he/she is a public officer, and as a recipient of public funds, a supporter of the constitutions of the State of Florida and of the United States of America.

Each Supervisor is subject to the same financial disclosure requirements as any other local elected official and must file a Statement of Financial Interests disclosing

sources of income, assets, debts, and other financial data, with the Supervisor of Elections in the County where he/she resides.

A Supervisor must act in accordance with the Code of Ethics for Public Officers and Employees, codified at Part III, Chapter 112, F.S., which addresses acceptance of gifts, conflicts of interest, etc. By law, it is not a conflict of interest for an employee of the developer to serve on a CDD Board of Supervisors.

Since a District is a unit of local government, the Sunshine Law (Chapter 286, F.S.) applies to Districts and to the Supervisors who govern them. In brief, the Sunshine Law states that two(2) or more Supervisors may never meet outside of a publicly noticed meeting of the Board and/to discuss District business.

Florida's Public Records Law (Chapter 119, F.S.) also applies to Districts and Supervisors. All records of the District, and the records of each individual Supervisor relating to the District, are public records. As such, any member of the public may inspect them upon request. Supervisors are therefore urged to keep any District records or documents in a separate file to allow ease of access by the public or press.

Conclusion

The position of Supervisor of a Community Development District is an important one, requiring both the time and the dedication to fulfill the responsibilities of a position of public trust. It should not be undertaken lightly. Each new Supervisor should enter office fully cognizant of the ethical, legal, and time requirements which are incumbent upon those who serve as Supervisors.

I. HISTORY OF FLORIDA'S ETHICS LAWS

Florida has been a leader among the states in establishing ethics standards for public officials and recognizing the right of citizens to protect the public trust against abuse. Our state Constitution was revised in 1968 to require a code of ethics, prescribed by law, for all state employees and non-judicial officers prohibiting conflict between public duty and private interests.

Florida's first successful constitutional initiative resulted in the adoption of the Sunshine Amendment in 1976, providing additional constitutional guarantees concerning ethics in government. In the area of enforcement, the Sunshine Amendment requires that there be an independent commission (the Commission on Ethics) to investigate complaints concerning breaches of public trust by public officers and employees other than judges.

The Code of Ethics for Public Officers and Employees is found in Chapter 112 (Part III) of the Florida Statutes. Foremost among the goals of the Code is to promote the public interest and maintain the respect of the people for their government. The Code is also intended to ensure that public officials conduct themselves independently and impartially, not using their offices for private gain other than compensation provided by law. While seeking to protect the integrity of government, the Code also seeks to avoid the creation of unnecessary barriers to public service.

Criminal penalties, which initially applied to violations of the Code, were eliminated in 1974 in favor of administrative enforcement. The Legislature created the Commission on Ethics that year "to serve as guardian of the standards of conduct" for public officials, state and local. Five of the Commission's nine members are appointed by the Governor, and two each are appointed by the President of the Senate and Speaker of the House of Representatives. No more than five Commission members may be members of the same political party, and none may be lobbyists, or hold any public employment during their two-year terms of office. A chair is selected from among the members to serve a one-year term and may not succeed himself or herself.

II. ROLE OF THE COMMISSION ON ETHICS

In addition to its constitutional duties regarding the investigation of complaints, the Commission:

- Renders advisory opinions to public officials;
- Prescribes forms for public disclosure;
- Prepares mailing lists of public officials subject to financial disclosure for use by Supervisors of Elections and the Commission in distributing forms and notifying delinquent filers;
- Makes recommendations to disciplinary officials when appropriate for violations of ethics and disclosure laws, since it does not impose penalties;
- Administers the Executive Branch Lobbyist Registration and Reporting Law;
- Maintains financial disclosure filings of constitutional officers and state officers and employees; and,
- Administers automatic fines for public officers and employees who fail to timely file required annual financial disclosure.

III. THE ETHICS LAWS

The ethics laws generally consist of two types of provisions, those prohibiting certain actions or conduct and those requiring that certain disclosures be made to the public. The following descriptions of these laws have been simplified in an effort to provide notice of their requirements. Therefore, we suggest that you also review the wording of the actual law. Citations to the appropriate laws are in brackets.

The laws summarized below apply generally to all public officers and employees, state and local, including members of advisory bodies. The principal exception to this broad coverage is the exclusion of judges, as they fall within the jurisdiction of the Judicial Qualifications Commission.

Public Service Commission (PSC) members and employees, as well as members of the PSC Nominating Council, are subject to additional ethics standards that are enforced by the Commission on Ethics under Chapter 350, Florida Statutes. Further, members of the governing boards of charter schools are subject to some of the provisions of the Code of Ethics [Sec. 1002.33(26), Fla. Stat.], as are the officers, directors, chief executive officers and some employees of business entities that serve as the chief administrative or executive officer or employee of a political subdivision. [Sec. 112.3136, Fla. Stat.].

A. PROHIBITED ACTIONS OR CONDUCT

1. Solicitation and Acceptance of Gifts

Public officers, employees, local government attorneys, and candidates are prohibited from soliciting or accepting anything of value, such as a gift, loan, reward, promise of future employment, favor, or service, that is based on an understanding that their vote, official action, or judgment would be influenced by such gift. [Sec. 112.313(2), Fla. Stat.]

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** any gift from a political committee, lobbyist who has lobbied the official or his or her agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist or from a vendor doing business with the official's agency. [Sec. 112.3148, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees are prohibited from directly or indirectly **accepting** a gift worth more than \$100 from such a lobbyist, from a partner, firm, employer, or principal of the lobbyist, or from a political committee or vendor doing business with their agency. [Sec. 112.3148, Fla. Stat.]

However, notwithstanding Sec. 112.3148, Fla. Stat., no Executive Branch lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] Typically, this would include gifts valued at less than \$100 that formerly

were permitted under Section 112.3148, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

Also, persons required to file Form 1 or Form 6, and state procurement employees and members of their immediate families, are prohibited from accepting any gift from a political committee. [Sec. 112.31485, Fla. Stat.]

2. Unauthorized Compensation

Public officers or employees, local government attorneys, and their spouses and minor children are prohibited from accepting any compensation, payment, or thing of value when they know, or with the exercise of reasonable care should know, that it is given to influence a vote or other official action. [Sec. 112.313(4), Fla. Stat.]

3. Misuse of Public Position

Public officers and employees, and local government attorneys are prohibited from corruptly using or attempting to use their official positions or the resources thereof to obtain a special privilege or benefit for themselves or others. [Sec. 112.313(6), Fla. Stat.]

4. Abuse of Public Position

Public officers and employees are prohibited from abusing their public positions in order to obtain a disproportionate benefit for themselves or certain others. [Article II, Section 8(h), Florida Constitution.]

5. Disclosure or Use of Certain Information

Public officers and employees and local government attorneys are prohibited from disclosing or using information not available to the public and obtained by reason of their public position, for the personal benefit of themselves or others. [Sec. 112.313(8), Fla. Stat.]

6. *Solicitation or Acceptance of Honoraria*

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** honoraria related to their public offices or duties. [Sec. 112.3149, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees, are prohibited from knowingly **accepting** an honorarium from a political committee, lobbyist who has lobbied the person's agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist, or from a vendor doing business with the official's agency. However, they may accept the payment of expenses related to an honorarium event from such individuals or entities, provided that the expenses are disclosed. See Part III F of this brochure. [Sec. 112.3149, Fla. Stat.]

Lobbyists and their partners, firms, employers, and principals, as well as political committees and vendors, are prohibited from **giving** an honorarium to persons required to file FORM 1 or FORM 6 and to state procurement employees. Violations of this law may result in fines of up to \$5,000 and prohibitions against lobbying for up to two years. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no Executive Branch or legislative lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] This may include honorarium event related expenses that formerly were permitted under Sec. 112.3149, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

B. **PROHIBITED EMPLOYMENT AND BUSINESS RELATIONSHIPS**

1. *Doing Business With One's Agency*

- a) A public employee acting as a purchasing agent, or public officer acting in an official capacity, is prohibited from purchasing, renting, or leasing any realty, goods, or

services for his or her agency from a business entity in which the officer or employee or his or her spouse or child owns more than a 5% interest. [Sec. 112.313(3), Fla. Stat.]

- b) A public officer or employee, acting in a private capacity, also is prohibited from renting, leasing, or selling any realty, goods, or services to his or her own agency if the officer or employee is a state officer or employee, or, if he or she is an officer or employee of a political subdivision, to that subdivision or any of its agencies. [Sec. 112.313(3), Fla. Stat.]

2. *Conflicting Employment or Contractual Relationship*

- a) A public officer or employee is prohibited from holding any employment or contract with any business entity or agency regulated by or doing business with his or her public agency. [Sec. 112.313(7), Fla. Stat.]
- b) A public officer or employee also is prohibited from holding any employment or having a contractual relationship which will pose a frequently recurring conflict between the official's private interests and public duties or which will impede the full and faithful discharge of the official's public duties. [Sec. 112.313(7), Fla. Stat.]
- c) Limited exceptions to this prohibition have been created in the law for legislative bodies, certain special tax districts, drainage districts, and persons whose professions or occupations qualify them to hold their public positions. [Sec. 112.313(7)(a) and (b), Fla. Stat.]

3. *Exemptions*—Pursuant to Sec. 112.313(12), Fla. Stat., the prohibitions against doing business with one's agency and having conflicting employment may not apply:

- a) When the business is rotated among all qualified suppliers in a city or county.
- b) When the business is awarded by sealed, competitive bidding and neither the official nor his or her spouse or child have attempted to persuade agency personnel to enter

the contract. NOTE: Disclosure of the interest of the official, spouse, or child and the nature of the business must be filed prior to or at the time of submission of the bid on Commission FORM 3A with the Commission on Ethics or Supervisor of Elections, depending on whether the official serves at the state or local level.

- c) When the purchase or sale is for legal advertising, utilities service, or for passage on a common carrier.
- d) When an emergency purchase must be made to protect the public health, safety, or welfare.
- e) When the business entity is the only source of supply within the political subdivision and there is full disclosure of the official's interest to the governing body on Commission FORM 4A.
- f) When the aggregate of any such transactions does not exceed \$500 in a calendar year.
- g) When the business transacted is the deposit of agency funds in a bank of which a county, city, or district official is an officer, director, or stockholder, so long as agency records show that the governing body has determined that the member did not favor his or her bank over other qualified banks.
- h) When the prohibitions are waived in the case of ADVISORY BOARD MEMBERS by the appointing person or by a two-thirds vote of the appointing body (after disclosure on Commission FORM 4A).
- i) When the public officer or employee purchases in a private capacity goods or services, at a price and upon terms available to similarly situated members of the general public, from a business entity which is doing business with his or her agency.
- j) When the public officer or employee in a private capacity purchases goods or services from a business entity which is subject to the regulation of his or her agency where the price and terms of the transaction are available to similarly situated members of

the general public and the officer or employee makes full disclosure of the relationship to the agency head or governing body prior to the transaction.

4. *Additional Exemptions*

No elected public officer is in violation of the conflicting employment prohibition when employed by a tax exempt organization contracting with his or her agency so long as the officer is not directly or indirectly compensated as a result of the contract, does not participate in any way in the decision to enter into the contract, abstains from voting on any matter involving the employer, and makes certain disclosures. [Sec. 112.313(15), Fla. Stat.]

5. *Legislators Lobbying State Agencies*

A member of the Legislature is prohibited from representing another person or entity for compensation during his or her term of office before any state agency other than judicial tribunals. [Art. II, Sec. 8(e), Fla. Const., and Sec. 112.313(9), Fla. Stat.]

6. *Additional Lobbying Restrictions for Certain Public Officers and Employees*

A statewide elected officer; a member of the legislature; a county commissioner; a county officer pursuant to Article VIII or county charter; a school board member; a superintendent of schools; an elected municipal officer; an elected special district officer in a special district with ad valorem taxing authority; or a person serving as a secretary, an executive director, or other agency head of a department of the executive branch of state government shall not lobby for compensation on issues of policy, appropriations, or procurement before the federal government, the legislature, any state government body or agency, or any political subdivision of this state, during his or her term of office. [Art. II Sec 8(f)(2), Fla. Const. and Sec. 112.3121, Fla. Stat.]

7. *Employees Holding Office*

A public employee is prohibited from being a member of the governing body which serves as his or her employer. [Sec. 112.313(10), Fla. Stat.]

8. *Professional and Occupational Licensing Board Members*

An officer, director, or administrator of a state, county, or regional professional or occupational organization or association, while holding such position, may not serve as a member of a state examining or licensing board for the profession or occupation. [Sec. 112.313(11), Fla. Stat.]

9. *Contractual Services: Prohibited Employment*

A state employee of the executive or judicial branch who participates in the decision-making process involving a purchase request, who influences the content of any specification or procurement standard, or who renders advice, investigation, or auditing, regarding his or her agency's contract for services, is prohibited from being employed with a person holding such a contract with his or her agency. [Sec. 112.3185(2), Fla. Stat.]

10. *Local Government Attorneys*

Local government attorneys, such as the city attorney or county attorney, and their law firms are prohibited from representing private individuals and entities before the unit of local government which they serve. A local government attorney cannot recommend or otherwise refer to his or her firm legal work involving the local government unit unless the attorney's contract authorizes or mandates the use of that firm. [Sec. 112.313(16), Fla. Stat.]

11. *Dual Public Employment*

Candidates and elected officers are prohibited from accepting public employment if they know or should know it is being offered for the purpose of influence. Further, public employment may not be accepted unless the position was already in existence or was created without the anticipation of the official's interest, was publicly advertised, and the officer had to meet the same qualifications and go through the same hiring process as other applicants. For elected public officers already holding public employment, no promotion given for the purpose of influence may be accepted, nor may promotions that are inconsistent with those given other similarly situated employees. [Sec. 112.3125, Fla. Stat.]

C. RESTRICTIONS ON APPOINTING, EMPLOYING, AND CONTRACTING WITH RELATIVES

1. *Anti-Nepotism Law*

A public official is prohibited from seeking for a relative any appointment, employment, promotion, or advancement in the agency in which he or she is serving or over which the official exercises jurisdiction or control. No person may be appointed, employed, promoted, or advanced in or to a position in an agency if such action has been advocated by a related public official who is serving in or exercising jurisdiction or control over the agency; this includes relatives of members of collegial government bodies. NOTE: This prohibition does not apply to school districts (except as provided in Sec. 1012.23, Fla. Stat.), community colleges and state universities, or to appointments of boards, other than those with land-planning or zoning responsibilities, in municipalities of fewer than 35,000 residents. Also, the approval of budgets does not constitute “jurisdiction or control” for the purposes of this prohibition. This provision does not apply to volunteer emergency medical, firefighting, or police service providers. [Sec. 112.3135, Fla. Stat.]

2. *Additional Restrictions*

A state employee of the executive or judicial branch or the PSC is prohibited from directly or indirectly procuring contractual services for his or her agency from a business entity of which a relative is an officer, partner, director, or proprietor, or in which the employee, or his or her spouse, or children own more than a 5% interest. [Sec. 112.3185(6), Fla. Stat.]

D. POST OFFICE HOLDING AND EMPLOYMENT (REVOLVING DOOR) RESTRICTIONS

1. *Lobbying by Former Legislators, Statewide Elected Officers, and Appointed State Officers*

A member of the Legislature or a statewide elected or appointed state official is prohibited for two years following vacation of office from representing another person or entity for compensation before the government body or agency of which the individual was an officer or member. 2. *Lobbying by Former State Employees*

Certain employees of the executive and legislative branches of state government are prohibited from personally representing another person or entity for compensation before the agency with which they were employed for a period of two years after leaving their positions, unless employed by another agency of state government. [Sec. 112.313(9), Fla. Stat.] These employees include the following:

This prohibition does not apply to a person who was employed by the Legislature or other agency prior to July 1, 1989; who was a defined employee of the State University System or the Public Service Commission who held such employment on December 31, 1994; or who reached normal retirement age and retired by July 1, 1991. It does apply to OPS employees.

PENALTIES: Persons found in violation of this section are subject to the penalties contained in the Code (see PENALTIES, Part V) as well as a civil penalty in an amount equal to the compensation which the person received for the prohibited conduct. [Sec. 112.313(9)(a)5, Fla. Stat.]

3. *6-Year Lobbying Ban*

For a period of six years after vacation of public position occurring on or after December 31, 2022, a statewide elected officer or member of the legislature shall not lobby for compensation on issues of policy, appropriations, or procurement before the legislature or any state government body or agency. [Art. II Sec 8(f)(3)a., Fla. Const. and Sec. 112.3121, Fla. Stat.]

For a period of six years after vacation of public position occurring on or after December 31, 2022, a person serving as a secretary, an executive director, or other agency head of a department of the executive branch of state government shall not lobby for compensation on issues of policy, appropriations, or procurement before the legislature, the governor, the executive office of the governor, members of the cabinet, a department that is headed by a member of the cabinet, or his or her former department. [Art. II Sec 8(f)(3)b., Fla. Const. and Sec. 112.3121, Fla. Stat.]

For a period of six years after vacation of public position occurring on or after December 31, 2022, a county commissioner, a county officer pursuant to Article VIII or county charter, a school board member, a superintendent of schools, an elected municipal officer, or an elected special district officer in a special district with ad valorem taxing authority shall not lobby for compensation on issues of policy, appropriations, or procurement before his or her former agency or governing body. [Art. II Sec 8(f)(3)c., Fla. Const. and Sec. 112.3121, Fla. Stat.]

4. *Additional Restrictions on Former State Employees*

A former executive or judicial branch employee or PSC employee is prohibited from having employment or a contractual relationship, at any time after retirement or termination of employment, with any business entity (other than a public agency) in connection with a contract in which the employee participated personally and substantially by recommendation or decision while a public employee. [Sec. 112.3185(3), Fla. Stat.]

A former executive or judicial branch employee or PSC employee who has retired or terminated employment is prohibited from having any employment or contractual relationship for two years with any business entity (other than a public agency) in connection with a contract for services which was within his or her responsibility while serving as a state employee. [Sec.112.3185(4), Fla. Stat.]

Unless waived by the agency head, a former executive or judicial branch employee or PSC employee may not be paid more for contractual services provided by him or her to the former agency during the first year after leaving the agency than his or her annual salary before leaving. [Sec. 112.3185(5), Fla. Stat.]

These prohibitions do not apply to PSC employees who were so employed on or before Dec. 31, 1994.

5. *Lobbying by Former Local Government Officers and Employees*

A person elected to county, municipal, school district, or special district office is prohibited from representing another person or entity for compensation before the government body or agency of which he or she was an officer for two years after leaving office. Appointed officers and employees of counties, municipalities, school districts, and special districts may be subject to a similar restriction by local ordinance or resolution. [Sec. 112.313(13) and (14), Fla. Stat.]

E. VOTING CONFLICTS OF INTEREST

State public officers are prohibited from voting in an official capacity on any measure which they know would inure to their own special private gain or loss. A state public officer who abstains, or who votes on a measure which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, must make every reasonable effort to file a memorandum of voting conflict with the recording secretary in advance of the vote. If that is not possible, it must be filed within 15 days after the vote occurs. The memorandum must disclose the nature of the officer's interest in the matter.

No county, municipal, or other local public officer shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss, or which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate. The officer must publicly announce the nature of his or her interest before the vote and must file a memorandum of voting conflict on Commission Form 8B with the meeting's recording officer within 15 days after the vote occurs disclosing the nature of his or her interest in the matter. However, members of community redevelopment agencies and district officers elected on a one-acre, one-vote basis are not required to abstain when voting in that capacity.

No appointed state or local officer shall participate in any matter which would inure to the officer's special private gain or loss, the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, without first disclosing the nature of his or her interest in the matter. The memorandum of voting conflict (Commission Form 8A or 8B) must be filed with the meeting's recording officer, be provided to the other members of the agency, and be read publicly at the next meeting.

If the conflict is unknown or not disclosed prior to the meeting, the appointed official must orally disclose the conflict at the meeting when the conflict becomes known. Also, a written memorandum of voting conflict must be filed with the meeting's recording officer within 15 days of the disclosure being made and must be provided to the other members of the agency, with the disclosure being read publicly at the next scheduled meeting. [Sec. 112.3143, Fla. Stat.]

F. DISCLOSURES

Conflicts of interest may occur when public officials are in a position to make decisions that affect their personal financial interests. This is why public officers and employees, as well as candidates who run for public office, are required to publicly disclose their financial interests. The disclosure process serves to remind officials of their obligation to put the public interest above personal considerations. It also helps citizens to monitor the considerations of those who spend their tax dollars and participate in public policy decisions or administration.

All public officials and candidates do not file the same degree of disclosure; nor do they all file at the same time or place. Thus, care must be taken to determine which disclosure forms a particular official or candidate is required to file.

What Must Be Disclosed:

FORM 1 requirements are set forth fully on the form. In general, this includes the reporting person's sources and types of financial interests, such as the names of employers and addresses of real property holdings. NO DOLLAR VALUES ARE REQUIRED TO BE LISTED. In addition, the form requires the disclosure of certain relationships with, and ownership interests in, specified types of businesses such as banks, savings and loans, insurance companies, and utility companies.

When to File:

CANDIDATES who do not currently hold a position requiring the filing of a Form 1 or Form 6 must register and use the electronic filing system to complete the Form 6, then print and file the disclosure with the officer before whom they qualify at the time of qualifying. [Art. II, Sec. 8(a) and (i), Fla. Const., and Sec. 112.3144, Fla. Stat.]

STATE and LOCAL OFFICERS and SPECIFIED STATE EMPLOYEES are required to file disclosure by July 1 of each year. They also must file within thirty days from the date of appointment or the beginning of employment. Those appointees requiring Senate confirmation must file prior to confirmation.

Where to File:

File with the Commission on Ethics. [Sec. 112.3145, Fla. Stat.]

Beginning January 1, 2024, all Form 1 disclosures must be filed electronically through the Commission's electronic filing system. These disclosures will be published and searchable by name or organization on the Commission's website.

FORM 1F is the disclosure form required to be filed within 60 days after a public officer or employee required to file FORM 1 leaves his or her public position. The form covers the disclosure period between January 1 and the last day of office or employment within that year.

3. *FORM 2 - Quarterly Client Disclosure*

The state officers, local officers, and specified state employees listed above, as well as elected constitutional officers, must file a FORM 2 if they or a partner or associate of their professional firm represent a client for compensation before an agency at their level of government.

A FORM 2 disclosure includes the names of clients represented by the reporting person or by any partner or associate of his or her professional firm for a fee or commission before agencies at the reporting person's level of government. Such representations do not include appearances in ministerial matters, appearances before judges of compensation claims, or representations on behalf of one's agency in one's official capacity. Nor does the term include the preparation and filing of forms and applications merely for the purpose of obtaining or transferring a license, so long as the

issuance of the license does not require a variance, special consideration, or a certificate of public convenience and necessity.

When to File:

This disclosure should be filed quarterly, by the end of the calendar quarter following the calendar quarter during which a reportable representation was made. FORM 2 need not be filed merely to indicate that no reportable representations occurred during the preceding quarter; it should be filed ONLY when reportable representations were made during the quarter.

Where To File:

File with the Commission on Ethics. [Sec. 112.3145(4), Fla. Stat.]

Beginning January 1, 2024, all Form 2 disclosures must be filed electronically through the Commission's electronic filing system. These disclosures will be published and searchable on the Commission's website.

What Must be Disclosed:

FORM 6 is a detailed disclosure of assets, liabilities, and sources of income over \$1,000 and their values, as well as net worth. Officials may opt to file their most recent income tax return in lieu of listing sources of income but still must disclose their assets, liabilities, and net worth. In addition, the form requires the disclosure of certain relationships with, and ownership interests in, specified types of businesses such as banks, savings and loans, insurance companies, and utility companies.

When and Where To File:

Officials must file FORM 6 annually by July 1 with the Commission on Ethics.

Beginning January 1, 2023, all Form 6 disclosures must be filed electronically through the Commission's electronic filing system. These disclosures will be published and searchable by name and organization on the Commission's website.

CANDIDATES who do not currently hold a position requiring the filing of a Form 1 or Form 6 must register and use the electronic filing system to complete the Form 6, then print and file the disclosure with the officer before whom they qualify at the time of qualifying. [Art. II, Sec. 8(a) and (i), Fla. Const., and Sec. 112.3144, Fla. Stat.]

5. *FORM 6F - Final Form 6 Full and Public Disclosure*

This is the disclosure form required to be filed within 60 days after a public officer or employee required to file FORM 6 leaves his or her public position. The form covers the disclosure period between January 1 and the last day of office or employment within that year.

6. *FORM 9 - Quarterly Gift Disclosure*

Each person required to file FORM 1 or FORM 6, and each state procurement employee, must file a FORM 9, Quarterly Gift Disclosure, with the Commission on Ethics on the last day of any calendar quarter following the calendar quarter in which he or she received a gift worth more than \$100, other

than gifts from relatives, gifts prohibited from being accepted, gifts primarily associated with his or her business or employment, and gifts otherwise required to be disclosed. FORM 9 NEED NOT BE FILED if no such gift was received during the calendar quarter.

Information to be disclosed includes a description of the gift and its value, the name and address of the donor, the date of the gift, and a copy of any receipt for the gift provided by the donor. [Sec. 112.3148, Fla. Stat.]

7. FORM 10 - Annual Disclosure of Gifts from Government Agencies and Direct-Support Organizations and Honorarium Event Related Expenses

State government entities, airport authorities, counties, municipalities, school boards, water management districts, and the South Florida Regional Transportation Authority, may give a gift worth more than \$100 to a person required to file FORM 1 or FORM 6, and to state procurement employees, if a public purpose can be shown for the gift. Also, a direct-support organization for a governmental entity may give such a gift to a person who is an officer or employee of that entity. These gifts are to be reported on FORM 10, to be filed by July 1.

The governmental entity or direct-support organization giving the gift must provide the officer or employee with a statement about the gift no later than March 1 of the following year. The officer or employee then must disclose this information by filing a statement by July 1 with his or her annual financial disclosure that describes the gift and lists the donor, the date of the gift, and the value of the total gifts provided during the calendar year. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3148, Fla. Stat.]

In addition, a person required to file FORM 1 or FORM 6, or a state procurement employee, who receives expenses or payment of expenses related to an honorarium event from someone who is prohibited from giving him or her an honorarium, must disclose annually the name, address, and affiliation of the donor, the amount of the expenses, the date of the event, a description of the expenses paid or provided, and the total value of the expenses on FORM 10. The donor paying the expenses must provide the officer or employee with a statement about the expenses within 60 days of the honorarium event.

The disclosure must be filed by July 1, for expenses received during the previous calendar year, with the officer's or employee's FORM 1 or FORM 6. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no executive branch or legislative lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, any expenditure made for the purpose of lobbying. This may include gifts or honorarium event related expenses that formerly were permitted under Sections 112.3148 and 112.3149. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts, which include anything not primarily related to political activities authorized under ch. 106, are prohibited from political committees. [Sec. 112.31485 Fla. Stat.]

8. FORM 30 - Donor's Quarterly Gift Disclosure

As mentioned above, the following persons and entities generally are prohibited from giving a gift worth more than \$100 to a reporting individual (a person required to file FORM 1 or FORM 6) or to a state procurement employee: a political committee; a lobbyist who lobbies the reporting individual's or procurement employee's agency, and the partner, firm, employer, or principal of such a lobbyist; and vendors. If such person or entity makes a gift worth between \$25 and \$100 to a reporting individual or state procurement employee (that is not accepted in behalf of a governmental entity or charitable organization), the gift should be reported on FORM 30. The donor also must notify the recipient at the time the gift is made that it will be reported.

The FORM 30 should be filed by the last day of the calendar quarter following the calendar quarter in which the gift was made. If the gift was made to an individual in the legislative branch, FORM 30 should be filed with the Lobbyist Registrar. [See page 35 for address.] If the gift was to any other reporting individual or state procurement employee, FORM 30 should be filed with the Commission on Ethics.

However, notwithstanding Section 112.3148, Fla. Stat., no executive branch lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, any expenditure made for the purpose of lobbying. This may include gifts that formerly were permitted under Section 112.3148. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts from political committees are prohibited. [Sec. 112.31485, Fla. Stat.]

D. Penalties for Lobbyists and Others

An executive branch lobbyist who has failed to comply with the Executive Branch Lobbying Registration law (see Part VIII) may be fined up to \$5,000, reprimanded, censured, or prohibited from lobbying executive branch agencies for up to two years. Lobbyists, their employers, principals, partners, and firms, and political committees and committees of continuous existence who give a prohibited gift or honorarium or fail to comply with the gift reporting requirements for gifts worth between \$25 and \$100, may be penalized by a fine of not more than \$5,000 and a prohibition on lobbying, or employing a lobbyist to lobby, before the agency of the public officer or employee to whom the gift was given for up to two years. Any agent or person acting on behalf of a political committee giving a prohibited gift is personally liable for a civil penalty of up to triple the value of the gift.

Executive Branch lobbying firms that fail to timely file their quarterly compensation reports may be fined \$50 per day per report for each day the report is late, up to a maximum fine of \$5,000 per report.

E. Felony Convictions: Forfeiture of Retirement Benefits

Public officers and employees are subject to forfeiture of all rights and benefits under the retirement system to which they belong if convicted of certain offenses. The offenses include embezzlement or theft of public funds; bribery; felonies specified in Chapter 838, Florida Statutes; impeachable offenses; and felonies committed with intent to defraud the public or their public agency. [Sec. 112.3173, Fla. Stat.]

F. Automatic Penalties for Failure to File Annual Disclosure

Public officers and employees required to file either Form 1 or Form 6 annual financial disclosure are subject to automatic fines of \$25 for each day late the form is filed after September 1, up to a maximum penalty of \$1,500. [Sec. 112.3144 and 112.3145, Fla. Stat.]

VI. ADVISORY OPINIONS

Conflicts of interest may be avoided by greater awareness of the ethics laws on the part of public officials and employees through advisory assistance from the Commission on Ethics.

A. Who Can Request an Opinion

Any public officer, candidate for public office, or public employee in Florida who is in doubt about the applicability of the standards of conduct or disclosure laws to himself or herself, or anyone who has the power to hire or terminate another public employee, may seek an advisory opinion from the Commission about himself or herself or that employee.

B. How to Request an Opinion

Opinions may be requested by letter presenting a question based on a real situation and including a detailed description of the situation. Opinions are issued by the Commission and are binding on the conduct of the person who is the subject of the opinion, unless material facts were omitted or misstated in the request for the opinion. Published opinions will not bear the name of the persons involved unless they consent to the use of their names; however, the request and all information pertaining to it is a public record, made available to the Commission and to members of the public in advance of the Commission's consideration of the question.

C. How to Obtain Published Opinions

All of the Commission's opinions are available for viewing or download at its website:
www.ethics.state.fl.us.

VII. COMPLAINTS

A. Citizen Involvement

The Commission on Ethics cannot conduct investigations of alleged violations of the Sunshine Amendment or the Code of Ethics unless a person files a sworn complaint with the Commission alleging such violation has occurred, or a referral is received, as discussed below.

If you have knowledge that a person in government has violated the standards of conduct or disclosure laws described above, you may report these violations to the Commission by filing a sworn complaint on the form prescribed by the Commission and available for download at www.ethics.state.fl.us. The Commission is unable to take action based on learning of such misdeeds through newspaper reports, telephone calls, or letters.

You can download a complaint form (FORM 50) from the Commission's website: www.ethics.state.fl.us, or contact the Commission office at the address or phone number shown on the inside front cover of this booklet.

B. Referrals

The Commission may accept referrals from: the Governor, the Florida Department of Law Enforcement, a State Attorney, or a U.S. Attorney. A vote of six of the Commission's nine members is required to proceed on such a referral.

C. Confidentiality

The complaint or referral, as well as all proceedings and records relating thereto, is confidential until the accused requests that such records be made public or until the matter reaches a stage in the Commission's proceedings where it becomes public. This means that unless the Commission receives a written waiver of confidentiality from the accused, the Commission is not free to release any documents or to comment on a complaint or referral to members of the public or press, so long as the complaint or referral remains in a confidential stage.

A COMPLAINT OR REFERRAL MAY NOT BE FILED WITH RESPECT TO A CANDIDATE ON THE DAY OF THE ELECTION, OR WITHIN THE 30 CALENDAR DAYS PRECEDING THE ELECTION DATE, UNLESS IT IS BASED ON PERSONAL INFORMATION OR INFORMATION OTHER THAN HEARSAY.

D. How the Complaint Process Works

Complaints which allege a matter within the Commission's jurisdiction are assigned a tracking number and Commission staff forwards a copy of the original sworn complaint to the accused within five working days of its receipt. Any subsequent sworn amendments to the complaint also are transmitted within five working days of their receipt.

Once a complaint is filed, it goes through three procedural stages under the Commission's rules. The first stage is a determination of whether the allegations of the complaint are legally sufficient: that is, whether they indicate a possible violation of any law over which the Commission has jurisdiction. If the complaint is found not to be legally sufficient, the Commission will order that the complaint be dismissed without investigation, and all records relating to the complaint will become public at that time.

In cases of very minor financial disclosure violations, the official will be allowed an opportunity to correct or amend his or her disclosure form. Otherwise, if the complaint is found to be legally sufficient, a preliminary investigation will be undertaken by the investigative staff of the Commission. The second stage of the Commission's proceedings involves this preliminary investigation and a decision by the Commission as to whether there is probable cause to believe that there has been a violation of any of the ethics laws. If the Commission finds no probable cause to believe there has been a violation of the ethics laws, the complaint will be dismissed and will become a matter of public record. If the Commission finds probable cause to believe there has been a violation of the ethics laws, the complaint becomes public and usually enters the third stage of proceedings. This stage requires the Commission to decide whether the law was actually violated and, if so, whether a penalty should be recommended. At this stage, the accused has the right to request a public hearing (trial) at which evidence is presented, or the Commission may order that such a hearing be held. Public hearings usually are held in or near the area where the alleged violation occurred.

When the Commission concludes that a violation has been committed, it issues a public report of its findings and may recommend one or more penalties to the appropriate disciplinary body or official.

When the Commission determines that a person has filed a complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations, the complainant will be liable for costs plus reasonable attorney's fees incurred by the person complained against. The Department of Legal Affairs may bring a civil action to recover such fees and costs, if they are not paid voluntarily within 30 days.

E. Dismissal of Complaints At Any Stage of Disposition

The Commission may, at its discretion, dismiss any complaint at any stage of disposition should it determine that the public interest would not be served by proceeding further, in which case the Commission will issue a public report stating with particularity its reasons for the dismissal. [Sec. 112.324(12), Fla. Stat.]

F. Statute of Limitations

All sworn complaints alleging a violation of the Sunshine Amendment or the Code of Ethics must be filed with the Commission within five years of the alleged violation or other breach of the public trust. Time starts to run on the day AFTER the violation or breach of public trust is committed. The statute of limitations is tolled on the day a sworn complaint is filed with the Commission. If a complaint is filed and the statute of limitations has run, the complaint will be dismissed. [Sec. 112.3231, Fla. Stat.]

VIII. EXECUTIVE BRANCH LOBBYING

Any person who, for compensation and on behalf of another, lobbies an agency of the executive branch of state government with respect to a decision in the area of policy or procurement may be required to register as an executive branch lobbyist. Registration is required before lobbying an agency and is renewable annually. In addition, each lobbying firm must file a compensation report

with the Commission for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. As noted above, no executive branch lobbyist or principal can make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 can knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.]

Paying an executive branch lobbyist a contingency fee based upon the outcome of any specific executive branch action, and receiving such a fee, is prohibited. A violation of this prohibition is a first degree misdemeanor, and the amount received is subject to forfeiture. This does not prohibit sales people from receiving a commission. [Sec. 112.3217, Fla. Stat.]

Executive branch departments, state universities, community colleges, and water management districts are prohibited from using public funds to retain an executive branch (or legislative branch) lobbyist, although these agencies may use full-time employees as lobbyists. [Sec. 11.062, Fla. Stat.]

Online registration and filing is available at www.floridalobbyist.gov. Additional information about the executive branch lobbyist registration system may be obtained by contacting the Lobbyist Registrar at the following address:

Executive Branch Lobbyist Registration
Room G-68, Claude Pepper Building

Tallahassee, FL 32399-1425
Phone: 850/922-4990

IX. WHISTLE-BLOWER'S ACT

In 1986, the Legislature enacted a "Whistle-blower's Act" to protect employees of agencies and government contractors from adverse personnel actions in retaliation for disclosing information in a sworn complaint alleging certain types of improper activities. Since then, the Legislature has revised this law to afford greater protection to these employees.

While this language is contained within the Code of Ethics, the Commission has no jurisdiction or authority to proceed against persons who violate this Act. Therefore, a person who has disclosed information alleging improper conduct governed by this law and who may suffer adverse consequences as a result should contact one or more of the following: the Office of the Chief Inspector General in the Executive Office of the Governor; the Department of Legal Affairs; the Florida Commission on Human Relations; or a private attorney. [Sec. 112.3187 - 112.31895, Fla. Stat.]

X. ADDITIONAL INFORMATION

As mentioned above, we suggest that you review the language used in each law for a more detailed understanding of Florida's ethics laws. The "Sunshine Amendment" is Article II, Section 8, of the Florida Constitution. The Code of Ethics for Public Officers and Employees is contained in Part III of Chapter 112, Florida Statutes.

Additional information about the Commission's functions and interpretations of these laws may be found in Chapter 34 of the Florida Administrative Code, where the Commission's rules are published, and in The Florida Administrative Law Reports, which until 2005 published many of the Commission's final orders. The Commission's rules, orders, and opinions also are available at www.ethics.state.fl.us.

If you are a public officer or employee concerned about your obligations under these laws, the staff of the Commission will be happy to respond to oral and written inquiries by providing information about the law, the Commission's interpretations of the law, and the Commission's procedures.

XI. TRAINING

Constitutional officers, elected municipal officers, commissioners of community redevelopment agencies (CRAs), and commissioners of community development districts are required to receive a total of four hours training, per calendar year, in the area of ethics, public

records, and open meetings. The Commission on Ethics does not track compliance or certify providers. Officials indicate their compliance with the training requirement when they file their annual Form 1 or Form 6.

Visit the training page on the Commission's website for up-to-date rules, opinions, audio/video training, and opportunities for live training conducted by Commission staff.

INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors
Enbrook Community Development District
Collier County, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of Enbrook Community Development District, Collier County, Florida (the "District") as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of September 30, 2023, and the respective changes in financial position thereof for the fiscal year ended September 30, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The District's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information Included in the Financial Report

Management is responsible for the other information included in the financial report. The other information comprises the information for compliance with FL Statute 218.39 (3) (c) but does not include the financial statements and our auditor's report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 6, 2024, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of Enbrook Community Development District, Collier County, Florida ("District") provides a narrative overview of the District's financial activities for the fiscal year ended September 30, 2023. Please read it in conjunction with the District's Independent Auditor's Report, basic financial statements, accompanying notes and supplementary information to the basic financial statements.

FINANCIAL HIGHLIGHTS

- The liabilities of the District exceeded its assets at the close of the most recent fiscal year resulting in a net position balance of (\$210,882).
- The change in the District's total net position in comparison with the prior fiscal year was \$153,143, an increase. The key components of the District's net position and change in net position are reflected in the table in the government-wide financial analysis section.
- At September 30, 2023, the District's governmental funds reported combined ending fund balances of \$312,584, an increase of \$39,514 in comparison with the prior fiscal year. A portion of the fund balance is restricted for debt service and capital projects and the remaining fund balance is unassigned fund balance in the general fund as of September 30, 2023.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis are intended to serve as the introduction to the District's basic financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the District's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the residual amount being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements include all governmental activities that are principally supported by assessments. The District does not have any business-type activities. The governmental activities of the District include the general government (management), function.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District has one fund category: governmental funds.

OVERVIEW OF FINANCIAL STATEMENTS (Continued)

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the District's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains three governmental funds for external reporting. Information is presented separately in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, debt service fund and capital projects fund, all of which are considered major funds.

The District adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the District, liabilities exceeded assets at the close of the most recent fiscal year.

Key components of the District's net position are reflected in the following table:

NET POSITION SEPTEMBER 30,			
	2023	2022	
Current and other assets	\$ 320,695	\$ 285,857	
Capital assets, net of depreciation	4,948,244	4,948,244	
Total assets	5,268,939	5,234,101	
Current liabilities	92,747	98,568

Unrestricted	25,373	9,647	
Total net position	\$ (210,882)	\$ (364,025)	

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

The District's net position reflects its investment in capital assets (e.g. land, land improvements, and infrastructure) less any related debt used to acquire those assets that is still outstanding. These assets are used to provide services to residents; consequently, these assets are not available for future spending. Although the District's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The restricted portion of the District's net position represents resources that are subject to external restrictions on how they may be used.

The District's net position increased during the most recent fiscal year. The majority of the increase represents the extent to which the program revenues exceeded the cost of operations.

Key elements of the change in net position are reflected in the following table:

CHANGES IN NET POSITION FOR THE FISCAL YEAR ENDED SEPTEMBER 30			
	2023	2022	
Revenues:			
Program revenues			
Charges for services	\$ 410,713	\$ 413,865	
Operating grants and contributions	13,051	869	
Capital grants and contributions	11	4,002	
Total revenues	423,775	418,736	
Expenses:			
General government	68,386	85,525	
Interest	202,246	204,922	
Total expenses	270,632	290,447	
Change in net position	153,143	128,289	
Net position - beginning	(364,025)	(492,314)	
Net position - ending	\$ (210,882)	\$ (364,025)	

As noted above and in the statement of activities, the cost of all governmental activities during the fiscal year ended September 30, 2023, was \$270,632. The costs of the District's activities were primarily funded by program revenues. As in the prior fiscal year, program revenues are comprised primarily of assessments and interest income.

GENERAL BUDGETING HIGHLIGHTS

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2023.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

At September 30, 2023, the District had \$4,948,244 invested in capital assets for its governmental activities. In the government-wide financial statements depreciation of \$0 has been taken, which resulted in a net book value of \$4,948,244. More detailed information about the District's capital assets is presented in the notes of the financial statements.

CAPITAL ASSETS AND DEBT ADMINISTRATION (Continued)

Capital Debt

At September 30, 2023, the District had \$5,320,000 Bonds outstanding for its governmental activities. More detailed information about the District's capital debt is presented in the notes of the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND OTHER EVENTS

The District anticipates operating costs will increase as the District is built out.

**ENBROOK COMMUNITY DEVELOPMENT DISTRICT
COLLIER COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – NATURE OF ORGANIZATION AND REPORTING ENTITY

Enbrook Community Development District ("District") was created March 10, 2020 by Ordinance 2020-12 of the Board of County Commissioners of Collier County, Florida, pursuant to the Uniform Community Development District Act of 1980, otherwise known as Chapter 190, Florida Statutes. The Act provides among other things, the power to manage basic services for community development, power to borrow money and issue Bonds, and to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure.

The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by the Board of Supervisors ("Board"), which is composed of five members. The Supervisors are elected by the owners of the property within the District. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida Statutes. At September 30, 2023, all of the Board members are affiliated with Forestar Group Inc. and D.R. Horton Inc. ("Developers").

The Board has the responsibility for:

1. Assessing and levying assessments.
2. Approving budgets.
3. Exercising control over facilities and properties.
4. Controlling the use of funds generated by the District.
5. Approving the hiring and firing of key personnel.
6. Financing improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards Board ("GASB") Statements. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the District Board of Supervisors is considered to be financially accountable, and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Government-Wide and Fund Financial Statements

The basic financial statements include both government-wide and fund financial statements.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment. Operating-type special assessments for maintenance and debt service are treated as charges for services; and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not included among program revenues are reported instead as *general revenues*.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement* focus and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Assessments

Assessments are non-ad valorem assessments on certain land and all platted lots within the District. Assessments are levied each November 1 on property of record as of the previous January. The fiscal year for which annual assessments are levied begins on October 1 with discounts available for payments through February 28 and become delinquent on April 1. For debt service assessments, amounts collected as advance payments are used to prepay a portion of the Bonds outstanding. Otherwise, assessments are collected annually to provide funds for the debt service on the portion of the Bonds which are not paid with prepaid assessments.

Assessments and interest associated with the current fiscal period are considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. The portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period.

The District reports the following major governmental funds:

General Fund

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

Debt Service Fund

The debt service fund is used to account for the accumulation of resources for the annual payment of principal and interest on long-term debt.

Capital Projects Fund

This fund accounts for the financial resources to be used for the acquisition or construction of major infrastructure within the District.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first for qualifying expenditures, then unrestricted resources as they are needed.

Assets, Liabilities and Net Position or Equity

Restricted Assets

These assets represent cash and investments set aside pursuant to Bond covenants or other contractual restrictions.

Deposits and Investments

The District's cash and cash equivalents are considered to be cash on hand and demand deposits (interest and non-interest bearing).

The District has elected to proceed under the Alternative Investment Guidelines as set forth in Section 218.415 (17) Florida Statutes. The District may invest any surplus public funds in the following:

- a) The Local Government Surplus Trust Funds, or any intergovernmental investment pool authorized pursuant to the Florida Inter-local Cooperation Act;
- b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency;
- c) Interest bearing time deposits or savings accounts in qualified public depositories;
- d) Direct obligations of the U.S. Treasury.

Securities listed in paragraph c and d shall be invested to provide sufficient liquidity to pay obligations as they come due. In addition, unspent Bond proceeds are required to be held in investments as specified in the Bond Indentures.

The District records all interest revenue related to investment activities in the respective funds. Investments are measured at amortized cost or reported at fair value as required by generally accepted accounting principles.

Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Capital Assets

Capital assets which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks and similar items) are reported in the government activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

In the governmental fund financial statements, amounts incurred for the acquisition of capital assets are reported as fund expenditures. Depreciation expense is not reported in the governmental fund financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Unearned Revenue

Governmental funds report unearned revenue in connection with resources that have been received, but not yet earned.

Long-Term Obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized over the life of the Bonds. Bonds payable are reported net of applicable premiums or discounts. Bond issuance costs are reported as an expense in the year incurred.

In the fund financial statements, governmental fund types recognize premiums and discounts, as well as issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

Fund Equity/Net Position

In the fund financial statements, governmental funds report non spendable and restricted fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Assignments of fund balance represent tentative management plans that are subject to change.

The District can establish limitations on the use of fund balance as follows:

Committed fund balance – Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the Board of Supervisors. Commitments may be changed or lifted only by the Board of Supervisors taking the same formal action (resolution) that imposed the constraint originally. Resources accumulated pursuant to stabilization arrangements sometimes are reported in this category.

Assigned fund balance – Includes spendable fund balance amounts established by the Board of Supervisors that are intended to be used for specific purposes that are neither considered restricted nor committed. The Board may also assign fund balance as it does when appropriating fund balance to cover differences in estimated revenue and appropriations in the subsequent year's appropriated budget. Assignments are generally temporary and normally the same formal action need not be taken to remove the assignment.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Fund Equity/Net Position (Continued)

The District first uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Net position is the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position in the government-wide financial statements are categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents net position related to infrastructure and property, plant and equipment. Restricted net position represents the assets restricted by the District's Bond covenants or other contractual restrictions. Unrestricted net position consists of the net position not meeting the definition of either of the other two components.

Other Disclosures

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE 3 – BUDGETARY INFORMATION

The District is required to establish a budgetary system and an approved Annual Budget. Annual Budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund. All annual appropriations lapse at fiscal year-end.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

- a) Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.
- b) Public hearings are conducted to obtain public comments.
- c) Prior to October 1, the budget is legally adopted by the District Board.
- d) All budget changes must be approved by the District Board.
- e) The budgets are adopted on a basis consistent with generally accepted accounting principles.
- f) Unused appropriation for annually budgeted funds lapse at the end of the year.

NOTE 4 – DEPOSITS AND INVESTMENTS

Deposits

The District's cash balances were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

NOTE 4 – DEPOSITS AND INVESTMENTS (Continued)

Investments

The District's investments were held as follows at September 30, 2023:

	Amortized cost	Credit Risk	Maturities
First American Government Obligation Y Class	\$ 283,414	S&P AAAM	Weighted average of the fund portfolio: 24 days
	<u>\$ 283,414</u>		

Credit risk – For investments, credit risk is generally the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investment ratings by investment type are included in the preceding summary of investments.

Concentration risk – The District places no limit on the amount the District may invest in any one issuer.

Interest rate risk – The District does not have a formal policy that limits investment maturities as a means of managing exposure to fair value losses arising from increasing interest rates.

However, the Bond Indenture limits the type of investments held using unspent proceeds.

Fair Value Measurement – When applicable, the District measures and records its investments using fair value measurement guidelines established in accordance with GASB Statements. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- Level 1: Investments whose values are based on unadjusted quoted prices for identical investments in active markets that the District has the ability to access;
- Level 2: Investments whose inputs - other than quoted market prices - are observable either directly or indirectly; and,
- Level 3: Investments whose inputs are unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the entire fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Money market investments that have a maturity at the time of purchase of one year or less and are held by governments other than external investment pools should be measured at amortized cost. For external investment pools that qualify to be measured at amortized cost, the pool's participants should also measure their investments in that external investment pool at amortized cost for financial reporting purposes. Accordingly, the District's investments have been reported at amortized cost above.

NOTE 5 – CAPITAL ASSETS

Capital asset activity for the fiscal year ended September 30, 2023 was as follows:

	Beginning Balance	Additions	Reductions	Ending Balance
<u>Governmental activities</u>				
Capital assets, not being depreciated				
Infrastructure under construction	\$ 4,948,244	\$ -	\$ -	\$ 4,948,244
Total capital assets, not being depreciated	<u>4,948,244</u>	<u>-</u>	<u>-</u>	<u>4,948,244</u>
 Governmental activities capital assets, net	 <u>\$ 4,948,244</u>	 <u>\$ -</u>	 <u>\$ -</u>	 <u>\$ 4,948,244</u>

The infrastructure intended to serve the District has been estimated at a total cost of approximately \$6,500,000. The infrastructure will include potable water and wastewater systems, storm water drainage and land improvements, and other improvements. A portion of the project costs was expected to be financed with the proceeds from the issuance of Bonds with the remainder to be funded by the Developer and conveyed to the District. Upon completion, the certain improvements are to be conveyed to others for ownership and maintenance responsibilities.

NOTE 6 – LONG-TERM LIABILITIES

Series 2020

On October 27, 2020, the District issued \$5,535,000 of Special Assessment Revenue Bonds, Series 2020, consisting of \$440,000 Term Bonds due on May 1, 2025, \$630,000 Term Bonds due on May 1, 2030, \$1,670,000 Term Bonds due May 1, 2040 and \$2,795,000 Term Bonds due on May 1, 2051 with fixed interest rates ranging from 2.5% to 4.0%. The Bonds were issued to finance the acquisition and construction of certain improvements for the benefit of the District. Interest is to be paid semiannually on each May 1 and November 1. Principal on the Bonds is to be paid serially commencing May 1, 2022 through May 1, 2051.

The Series 2020 Bonds are subject to redemption at the option of the District prior to their maturity. The Bonds are subject to extraordinary mandatory redemption prior to their selected maturity in the manner determined by the Bond Registrar if certain events occurred as outlined in the Bond Indenture. to the fiscal year end.

The Bond Indenture established a debt service reserve requirement as well as other restrictions and requirements relating principally to the use of proceeds to pay for the infrastructure improvements and the procedures to be followed by the District on assessments to property owners. The District agrees to levy special assessments in annual amounts adequate to provide payment of debt service and to meet the reserve requirements. The District was in compliance with the requirements at September 30, 2023.

Long-term Debt Activity

Changes in long-term liability activity for the fiscal year ended September 30, 2023 were as follows:

	Beginning Balance	Additions	Reductions	Ending Balance	Due Within One Year
<u>Governmental activities</u>					
Bonds payable:					
Series 2020	\$ 5,430,000	\$ -	\$ 110,000	\$ 5,320,000	\$ 110,000

Total	<u>\$ 5,499,558</u>	<u>\$ -</u>	<u>\$ 112,484</u>	<u>\$ 5,387,074</u>	<u>\$ 110,000</u>

At September 30, 2023, the scheduled debt service requirements on the long-term debt were as follows:

Total	<u>\$ 5,320,000</u>	<u>\$ 3,577,600</u>	<u>\$ 8,897,600</u>

NOTE 7 – DEVELOPER TRANSACTIONS AND CONCENTRATION

The Developer owns a significant portion of the land within the District; therefore, the assessments levied in the general and debt service funds during the current fiscal year are assessments levied on the land owned by the Developer.

The District's activity is dependent upon the continued involvement of the Developer, the loss of which could have a material adverse effect on the District's operations.

NOTE 8 – MANAGEMENT COMPANY

The District has contracted with a management company to perform management advisory services, which include financial and accounting advisory services. Certain employees of the management company also serve as officers (Board appointed non-voting positions) of the District. Under the agreement, the District compensates the management company for management, accounting, financial reporting, and other administrative costs.

NOTE 9 – RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The District has obtained commercial insurance from independent third parties to mitigate the costs of these risks; coverage may not extend to all situations.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Supervisors
Enbrook Community Development District
Collier County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Enbrook Community Development District, Collier County, Florida (the "District") as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our opinion thereon dated March 6, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Management is responsible for District's compliance with those requirements. Our responsibility is to express an opinion on District's compliance based on our examination.

Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the District complied, in all material respects, with the specified requirements referenced in Section 218.415, Florida Statutes. An examination involves performing procedures to obtain evidence about whether the District complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the District's compliance with specified requirements.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

In our opinion, the District complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2023.

Pursuant to Chapter 190, Florida Statutes, and after a Community Development District ("**District**") has been established and the landowners have held their initial election, there shall be a subsequent landowners' meeting for the purpose of electing members of the Board of Supervisors ("**Board**") every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), Florida Statutes.

A landowner may vote in person at the landowners' meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. Please note that a particular parcel of real property is entitled to only one vote for each eligible acre of land or fraction thereof; therefore, two or more people who own real property in common, that is one acre or less, are together entitled to only one vote for that real property.

At the landowners' meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

Three (3) seats on the Board will be up for election by landowners. The two candidates receiving the highest number of votes shall be elected for a term of four (4) years. The candidate receiving the next highest number of votes shall be elected for a term of two (2) years. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes.
